

The efficient tyre for long-distance journeys with ActiveCool (AC) technology.

Conti Coach HA3 AC

The long-distance coach tyre for usage in extreme temperature environments.

- › Continental ActiveCool technology
- › Increased endurance
- › Improved retreadability
- › Enhanced AirKeep™ technology
- › Excellent braking performance
- › Outstanding fuel efficiency
- › Comfortable ride

GENERATION 3. Driven by your needs.

Conti Coach HA3 AC

Further technical features

- Optimized pressure distribution in the contact patch for uniform wear
- Improved tread void ratio for more wear volume
- Dedicated long-distance coach tyre contour for improved even wear

Benefit: more mileage leads to long-term cost reduction

- Durable casing for premium retreadability
- Retreading recommendation according to ContiLifeCycle standards on the sidewall for precise buffing contour

Benefit: optimal retreadability enabling operational efficiency

- Staggered siping technology with reduced noise intensity and optimized noise frequency

Benefit: quieter running and increased ride comfort

Technical data

Tyre Size	Operating Code		Rim		Tyre Dimensions						Load capacity (kg) per axle at tire pressure (bar) (psi)
